

# On-site Summer Institutes

with The Educator Collaborative

## Expert

- Nationally recognized K-12 experts
- Writing Workshop, Reading Workshop
- Technology and Literacy Integration
- Nonfiction, Informational Writing, and Research
- Standards Integration

...and more...

## Practical

- On-site institute aims to leave your staff prepared for the school-year ahead!
- Research-based methods and structures for student achievement
- Hands-on learning and supportive curriculum planning

## Inspirational

- We weave high-level empowerment into all of our work
- Educators leave our institutes feeling uplifted and respected
- Ready to take on the big challenges of student learning

## Home

- On site learning, at your school or district
- 3, 4 or 5 full days, to meet your needs and budget
- One or more of our team members, depending on your goals and staff size
- Focused on **your** data, **your** goals, **your** aspirations—never a program
